

Details of Familiarisation Programmes of Polycab India Limited for its Independent Directors

[Pursuant to Regulations 25(7) and 46 (2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

The Company firmly believes that a robust familiarization program enhances the ability of Independent Directors to gain deeper insights into the company's business and operations. This, in turn, equips them to make well-informed decisions during Board/Committee Meetings by fostering a comprehensive understanding of the company's operational intricacies.

The Company consistently endeavours to keep Independent Directors updated of business performance, operations, and manufacturing processes across all the verticals. This involves delivering presentations through in-house programs or participation in third-party organized events. Independent Directors undergo thorough familiarization covering their roles, rights, responsibilities, as well as strategic planning, manufacturing processes, subsidiaries' business strategies, legal amendments, and adherence to the company's codes and policies.

In order to offer a comprehensive perspective, factory visits and CSR site visits were organized. Continuous familiarization initiatives involve presentations during Board Meetings, delivered by business and functional heads, domain experts, external consultants, addressing various aspects including business strategies, codes and policies, subsidiaries, human resources, legal updates, new business developments, and compliance. Additionally, the Business Heads who are Nominee Director(s) present the financial and business performance of their respective subsidiaries together with their compliance reports.

The Board is consistently updated on regulatory amendments and their implications through presentations during meetings. Directors also receive regular updates on stock exchange press releases, analyst reports, key achievements, and material information related to subsidiary companies.

The structured familiarization program is designed to empower Independent Directors with a thorough understanding of the intricacies of the company's operations. In compliance with statutory mandates, comprehensive letters of appointment delineating the roles and responsibilities of Independent Directors are issued and made available on the company's website.

In terms of the requirements of SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, the details of programmes and the attendance of Independent Directors in those programmes are given for the financial year 2024-25 as stated below:
