Standalone Independent Auditors Report

For the year ended March 31, 2022

To the Members of
Tirupati Reels Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Tirupati Reels Private Limited (“the Company”), which comprise the balance sheet as at March 31, 2022, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the Auditor’s Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor’s Report Thereon

The Company’s Management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the annual report but does not include the standalone financial statements and our auditor’s report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for Standalone Financial Statements

The Company's Management and Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind-AS) specified under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has an adequate internal financial controls system with reference to these standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we further report that :
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - (c) the Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Statement of Cash flow dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with companies (Indian Accounting Standards) Rules, 2015 as amended from time to time;
 - (e) On the basis of written representations received from the directors as on March 31, 2022, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022, from being appointed as a director in terms of Section 164(2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Standalone Financial Statements and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2022 has been paid / provided by the company to its directors in accordance with the provisions of section 197 read with Schedule V of the Companies Act, 2013.

3. In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 as amended.
- (i) The Company does not have any pending litigations which would impact its financial position.
 - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company.
 - (iv) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note No 31.13 of the standalone financial statements)
 - (v) The Management has represented, that, to the best of its knowledge and belief no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (Refer Note No 31.13 of the standalone financial statements).
 - (vi) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv) and (v) above contain any material mis-statement.
 - (vii) The company has not declared or paid any dividend during the year and accordingly reporting under the provision of section 123 of the Companies Act, 2013 is not applicable to the company.

ANNEXURE "A" TO THE AUDITOR'S REPORT REFERRED TO IN PARAGRAPH 1 UNDER REPORT ON OTHER LEGAL & REGULATORY REQUIREMENTS OF OUR REPORT OF EVEN DATE

Re : TIRUPATI REELS PRIVATE LIMITED

- (i) (a) (A) the company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
- (B) The company has maintained proper records showing full particulars of intangible assets.
- (b) As explained to us and on the basis of examination of records all the Property, Plant and Equipment have been physically verified by the management at reasonable intervals. As informed to us no material discrepancies were noticed on such verification.
- (c) As explained to us and on the basis of examination of records all the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the company) are held in the name of the company.
- (d) As explained to us and on the basis of examination of records the company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets during the year under review.
- (e) As explained to us and on the basis of examination of records no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.
- (ii) (a) The inventories (except stock in transit) has been physically verified by the management at reasonable intervals. The coverage and procedure of such verification was appropriate having regard to the size of the company. As informed to us no discrepancies of 10% or more in the aggregate for each class of inventory were noticed during the year under review.
- (b) According to information and explanation provided to us and on the basis of examination of records of the company, the company has been sanctioned working capital limit in excess of five crore rupees, in aggregate, from bank on the basis of security of current assets. The quarterly return or statements filed by the company with such bank are in agreement with the books of account of the company.

- (iii) According to the information and explanation given to us and based on the records examined by us the company has not made any investment or provided any guarantee or security or granted any loan and advances in the nature of loans, secured or unsecured, to companies, firms, limited liability partnerships or to any other parties during the year under review. Accordingly, the provision of clause 3(iii) is not applicable to the company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits under the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under and no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other Tribunal. Accordingly, the provision of clause 3(v) of the order is not applicable to the company.
- (vi) According to the information and explanation given to us, Central Government has not prescribed maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
- (vii)
 - (a) The Company has generally been regular in depositing undisputed statutory dues including Goods and Services Tax, provident fund, income tax, sale tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues applicable to the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of such statutory dues were outstanding as at 31st March, 2022 for a period of more than 6 months from the date they become payable.
 - (b) According to the information and explanations given to us and based on the records of the company examined by us, there are no dues, as referred in sub- clause (a) above, which have not been deposited on account of any dispute.
- (viii) According to the information and explanation given to us and based on the records of the company examined by us, the company has not surrendered or disclosed any income which is unrecorded in the books of account in the tax assessment under Income Tax Act,1961. Accordingly provision of the clause 3(viii) is not applicable to the company.

- (ix) (a) According to the information and explanation given to us we are of the opinion that the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender. Accordingly provision of the clause 3(ix) (a) is not applicable to the company.
- (b) According to the information and explanation given to us the company has not been declared as a wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us and based on the records of the company examined by us, the company has applied the term loan for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us and based on the records of the company examined by us, no short term funds have been utilized for long term purpose.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the company, we report that the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures during the year under review.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the company does not hold any securities in its subsidiaries, joint ventures or associate companies. Accordingly provision of the clause 3(ix) (f) is not applicable to the company.
- (x) (a) According to the information and explanations given to us and based on the records of the company examined by us, the company has not raised any moneys by way of initial public offer or further public offer (including debt instrument) during the year under review. Accordingly provision of the clause 3(x) (a) is not applicable to the company.
- (b) According to the information and explanations given to us and based on the records of the company examined by us, the company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year under review. Accordingly provision of the clause 3(x) (b) is not applicable to the company.
- (xi) (a) During the course of our examination of the books and records of the company carried out in accordance with the generally accepted auditing practices in India, and according to the audit procedures performed and information and explanations given by the management, we have neither come across any instance of fraud by the Company nor any fraud on the company has been noticed or reported during the course of our audit.
- (b) During the course of our examination of the books and records of the company carried out in accordance with the generally accepted auditing practices in India, and according to the audit procedures performed and information and explanations given by the management, we have neither come across any instance of fraud by the Company nor any fraud on the company and accordingly no report under sub-section (12) of section 143 of the Companies Act has been filled by the auditors in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) According to the information and explanations given to us by the management of the company, there are no whistle blower complaint received by the company during the year under review.

- (xii) Since the company is not a Nidhi Company, the provisions of clause 3(xii) of the Order are not applicable to the company.
- (xiii) In our opinion, and according to the information and explanations given to us, all the transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the standalone financial statements as required by the applicable Indian Accounting Standards.
- (xiv) (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of the business however the company is not required to have an internal audit system as per provisions of the companies Act,2013.
- (b) We have considered the internal audit reports of the company issued till date, for the period under audit.
- (xv) In our opinion, and according to the information and explanations given to us, the company has not entered into any non-cash transactions with directors or persons connected with him as mentioned under the provisions of section 192 of the Companies Act, 2013.
- (xvi) (a) In our opinion, and according to the information and explanations given to us, the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) In our opinion, and according to the information and explanations given to us, the company has not conducted any Non- Banking Financial or Housing Finance activities during the year under review. Accordingly provision of the clause 3 (xvi) (b) is not applicable to the company.
- (c) In our opinion, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly provision of the clause 3 (xvi) (c) is not applicable to the company.
- (d) In our opinion and according to the information and explanation provided to us by the management the group does not have any Core Investment Company (CIC) as a part of the group. Accordingly provision of the clause 3 (xvi) (d) is not applicable to the company.
- (xvii) In our opinion the company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- (xviii) According to the information and explanation provided to us there has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable to the company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

- (xx) (a) In our opinion and according to the information and explanations given to us, the Company has duly spent its CSR liability and has no unspent amount due as on 31 March 2022 and accordingly reporting under this clause is not applicable to the company.
- (b) In our opinion and according to the information and explanations given to us, the Company does not have any remaining unspent amount under sub-section (5) of section 135 of the Companies Act, pursuant to any ongoing project and accordingly reporting under this clause is not applicable to the company.
- (xxi) Since the company does not require to prepare consolidated financial statement and accordingly reporting under this clause is not applicable to the company.

“Annexure B” to the Auditor’s Report
Referred to the clause (f) under ‘Report on other legal and Regulatory requirements of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Tirupati Reels Private Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India” (the ‘Guidance Note’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the standards on auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to the standalone financial statements, and their operating effectiveness. Our audit of internal financial controls over financial reporting with reference to these standalone financial statements, included obtaining an understanding of internal financial controls over financial reporting with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to these standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with reference to these Standalone Financial Statements

A company's internal financial control with reference to these standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these standalone financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting with reference to these standalone financial statements and such internal financial controls over financial reporting with reference to these standalone financial statements were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

TIRUPATI REELS PRIVATE LIMITED
STANDALONE STATEMENT OF CASH FLOWS FOR THE YEAR ENDED 31 MARCH 2022

Accounting policy

Cash flows are reported using the indirect method, whereby profit for the year is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

For the purposes of cash flow statement cash and cash equivalents consist of cash on hand and balance with banks net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

	Year ended 31 March 2022	Year ended 31 March 2021
(₹ thousand)		
A. CASH FLOWS FROM OPERATING ACTIVITIES		
Profit before tax	87,349.48	59,862.96
Adjustments for :

TIRUPATI REELS PRIVATE LIMITED

Notes to the Standalone Financial Statements for year ended 31 March 2022

1. Corporate Information

Tirupati Reels Private Limited (the 'Company') is a Private Limited Company (CIN : U2023DL2015PTC27597) domiciled in India and incorporated under the provisions of the Companies Act, 2013.

The Registered office of the company is situated at E-107, First Floor, Greater Kailash, New Delhi -110048.

The Company is the manufacturers of Wooden Pallets, Outer Laggings and Cable Drums.

The Board of Directors approved the Standalone Financial Statements for the year ended March 31, 2022 and authorised for issue on May 02, 2022.

2. Summary of Significant Accounting Policies

2.1 Basis of Operation :

(i) Statement of Compliance :

The Company prepares its Standalone Financial Statements to comply with the accounting standards specified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time. These Standalone financial statements includes Balance Sheet as at 31 March 2022, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash flows and Statement of changes in equity for the year ended 31 March 2022, and a summary of significant accounting policies and other explanatory information (together hereinafter referred to as "Financial Statements").

(ii) Basis of Measurement :

The Standalone Financial Statements for the year ended 31 March 2022 and year ended 31 March 2021 has been prepared on an accrual basis and a historical cost convention, except for the following financial assets and liabilities which have been measured at fair value or at amortized cost at the end of each reporting period :

- (a) Derivative financial instruments
- (b) Certain financial assets and liabilities (refer accounting policy regarding financial instruments Note No 31.2)
- (c) Net defined benefit plan (Refer note 25 for accounting policy)

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Accounting policies and methods of computation followed in the financial statements are same as compared with the annual financial statements for the year ended 31 March 2021, except for adoption of new standard or any pronouncements effective from 1 April 2021.

(iii) Classification of Current / Non-Current Assets and Liabilities :

The Company presents assets and liabilities in the Balance sheet based on current / non-current classification. It has been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013.

Operating Cycle :

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Company has identified twelve months as its operating cycle for the purpose of current non-current classification of assets and liabilities.

An asset is treated as current when it is :

- (a) Expected to be realized or intended to be sold or consumed in normal operating cycle;
- (b) Held primarily for the purpose of trading;
- (c) Expected to be realized within twelve months after the reporting period; or
- (d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is treated as current when :

- (a) It is expected to be settled in normal operating cycle;
- (b) It is held primarily for the purpose of trading;
- (c) It is due to be settled within twelve months after the reporting period; or
- (d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

(iv) Functional and Presentation Currency :

These financial statements are presented in Indian Rupees (₹) which is the functional currency of the Company. All amounts disclosed in the financial statements which also include the accompanying notes have been rounded off to the nearest thousand up to two decimal places, as per the requirement of Schedule III to the Companies Act 2013, unless otherwise stated.

TIRUPATI REELS PRIVATE LIMITED

Notes to the Standalone Financial Statements for year ended 31 March 2022

2.2 Use of Estimates and Judgments :-

In the course of applying the policies outlined in all notes, the Company is required to make judgments, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and future periods are affected.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur. The Company uses the following critical accounting estimates in preparation of its financial statements :

(i) Revenue Recognition

The Company applied judgements that significantly affect the determination of the amount and timing of revenue from contracts at a point in time with customers, such as identifying performance obligations in a sales transactions.

(ii) Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in current and future periods.

(iii) Provisions

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates. The timing of recognition requires application of judgment to existing facts and circumstances which may be subject to change.

(iv) Contingencies

In the normal course of business, contingent liabilities may arise from litigation and other claims against the Company. Potential liabilities that are possible but not probable of crystallizing or are very difficult to quantify reliably are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not recognized. Contingent assets are neither recognized nor disclosed in the financial statements.

(v) Fair value measurement of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. (Refer note 31.2 for accounting policy on Fair value measurement of financial instruments).

(vi) Foreign Currency Transactions / Translations

Transactions in currencies other than Company's functional currency (foreign currencies) are recorded at the rates of exchange prevailing on the date of transaction. At the end of the reporting period, monetary items denominated in foreign currencies are reported using the exchange rate prevailing as at reporting date. Non-monetary items denominated in foreign currencies which are carried in terms of historical cost are reported using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on translating monetary items at the exchange rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or expenses in the year in which they arise.

(vii) Provision for Income Tax and Deferred Tax Assets

The Company uses estimates and judgments based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. Accordingly, the Company exercises its judgment to reassess the carrying amount of deferred tax assets at the end of each reporting period.

TIRUPATI REELS PRIVATE LIMITED

Notes to the Standalone Financial Statements for year ended 31 March 2022

(viii) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If an indication exists, or when the annual impairment testing of the asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash-generating-unit's (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from the other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered as impaired and its carrying amount is written down to its recoverable amount.

The Company estimates the value-in-use of the Cash generating unit (CGU) based on the future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects the current market assessments of the time value of money and the risks specific to the asset/CGU.

(ix) Employee Benefits

The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note.

(x) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgment in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

2.3 Changes in significant accounting policies

The Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2020 has notified amendments to certain Ind AS. The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2021. The Company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

2.4 Recent pronouncement

The amendments to Schedule III of the Companies Act, 2013 are applicable from 01 April 2021. The Company has given effect of amendment by inclusion of the relevant disclosures under explanatory notes or by way of additional notes, wherever significant in nature.

2.5 Recent Indian Accounting Standards (Ind AS)

On 18 June 2021, MCA through a notification has notified Companies (Indian Accounting Standards) Amendment Rules, 2021. The notification has made amendments to various Ind AS. The Company does not expect the amendments to have any significant impact in its financial statements.

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from April 1st, 2022, as below :

Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

Ind AS 16 – Proceeds before intended use

The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

Ind AS 37– Provisions, Contingent Liabilities and contingent assets

The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material.

2.6 The significant accounting policies used in preparation of the financial statements have been discussed in the respective notes.

TIRUPATI REELS PRIVATE LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

3. Property, plant and equipment

Accounting policy

(i) Property, plant and equipment's are stated at cost, net of accumulated depreciation and impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

(ii) Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred.

(iii) Capital work-in-progress comprises of property, plant and equipment that are not ready for their intended use at the end of reporting period and are carried at cost comprising direct costs, related incidental expenses, and other directly attributable costs and borrowing costs if any.

(iv) Gains or losses arising from derecognition of property, plant and equipments are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit & Loss when the asset is derecognized.

(v) The carrying amount of an item of property, plant and equipment is derecognised on disposal or when no further benefit is expected from its use and disposal. Assets retired from active use and held for disposal are generally stated at the lower of their net book value and net realisable value. Any gain or losses arising on disposal of property, plant and equipment is recognised in the Statement of Profit and Loss. Once the assets classified as held-for-sale, property, plant and equipment are no longer depreciated.

(vi) Depreciation on Property, plant and equipment's is calculated on pro rata basis on straight-line method using the management assessed useful lives of the assets which is in line with the manner prescribed in Schedule II of the Companies Act, 2013. The useful life is as follows :

Assets	Useful Life
Buildings	30-60 Years
Plant & equipments	15 Years
Electrical installations	10 Years
Furniture & fixtures	10 Years
Office equipments	3-5 Years
Vehicles	8-10 Years
Leasehold improvements	5 Years

(vii) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each reporting date and adjusted prospectively. Depreciation is not recorded on capital work-in-progress until construction and installation is complete and the asset is ready for its intended use.

(viii) Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred.

(ix) On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 1 April 2015 measured as per the previous GAAP and used that carrying value as the deemed cost of the property, plant and equipment.

TIRUPATI REELS PRIVATE LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

The changes in the carrying value of Property, plant and equipment for the year ended 31 March 2022 are as follows :

TIRUPATI REELS PRIVATE LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

4. Right of use assets

Accounting policy

i. The Company as a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether :- (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases), variable lease and low value leases. For these short-term, variable lease and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

The estimated useful life of the right-of-use assets are determined on the same basis as those of property, plant and equipment. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying value may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

ii. Others

The following is the summary of practical expedients elected on initial recognitions :-

- (a) Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.
- (b) Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application, variable lease and low value asset.
- (c) Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.
- (d) The effective interest rate for lease liabilities is 9.0%, with maturity between 2021-2027.

Following are the changes in the carrying value of right to use of assets for the year ended 31 March 2022 :

	(₹ thousand)
	31 March 2022
Gross carrying value	
As at 01 April 2021	3,657.65
Additions	4,624.64
As at 31 March 2022	8,282.29
Accumulated depreciation	
As at 01 April 2021	(1,463.06)
Depreciation charge for the year	(885.69)
As at 31 March 2022	(2,348.75)
Net carrying value	
As at 31 March 2022	5,933.54

The aggregate depreciation expense on ROU assets is included under depreciation and amortisation expense in the statement of Profit and Loss.

Following are the changes in the carrying value of right to use of assets for the year ended 31 March 2021 :

At FVTPL		
Derivative assets (Forward Contract)	100.20	-
	960.83	483.56

6. Income taxes

Accounting policy

Income Tax expenses comprise current tax and deferred income tax and includes any adjustments related to past periods in current and / or deferred tax adjustments that may become necessary due to certain developments or reviews during the relevant period. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current and deferred taxes are recognized in statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively. Income tax received / receivable pertains to prior period recognized when reasonable certainty arise for refund acknowledged by the Income-tax department.

Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount for financial reporting purposes at the reporting date. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted at the reporting date. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date.

TIRUPATI REELS PRIVATE LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Deferred tax liabilities are recognized for all taxable temporary differences. Deferred tax assets are recognized for deductible temporary differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying units intends to settle the asset and liability on a net basis.

Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

A Income tax expense in the statement of profit and loss comprises :

	(₹ thousand)	
	31 March 2022	31 March 2021
Current Income tax :		
In respect of current year	20,006.31	10,006.15
Adjustments of tax relating to earlier year	429.25	1,973.27
Deferred tax :		
In respect of current year	4,617.86	27,695.95
	25,053.43	39,675.36

Net deferred tax asset / (liability) at the end	(22,232.51)	(17,651.45)

7. Inventories

Accounting policy

(i) Basis of Valuation

All Inventories except scrap material are valued at lower of cost or net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition and its conversion cost where applicable.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

The stocks of scrap materials have been taken at net realisable value.

(ii) Method of Valuation

The cost of inventories has been determined by using FIFO Method and comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventories to their present location and condition and its conversion cost where applicable.

	31 March 2022	31 March 2021
Raw materials	147,414.39	110,718.85
Work-in-progress	34,333.21	11,006.18
Finished goods	887.92	212.07
Stores and spares	5,358.31	6,867.09
Scrap materials	160.66	-
	188,154.49	128,804.19

Notes :-

(a) The above includes goods in transit as under :

	31 March 2022	31 March 2021
Raw Materials	27,435.15	17,522.39

(b) The above includes inventories held by third parties amounting to ₹ Nil (31 March 2021 ₹ 628.12 thousand).

(c) Inventories are valued at the lower of cost and net realisable value.

(d) During the year ended March 31, 2022 ₹ Nil (March 31, 2021 ₹ Nil) was recognised as an expense for inventories carried at net realisable value.

(e) Inventories are hypothecated with the bankers against working capital limits (Refer note 14).

8. Trade receivables

	31 March 2022	31 March 2021
Unsecured (at amortised cost)		
Trade receivables - unsecured considered good	58,264.78	38,233.56
Receivables from related parties - unsecured considered good	51,600.93	117,029.94
	109,865.71	155,263.50

Notes:

(a) Trade receivables are usually non-interest bearing and are generally on credit terms up to 90 days. The Company's term includes charging of interest for delayed payment beyond agreed credit days. Company entities charge interest for delayed payments in certain cases depending on factors, such as, market conditions and past realisation trend.

(b) For explanations on the Company's credit risk management processes, Refer note 31.3(B).

(c) The Company follows life time expected credit loss model. Accordingly, deterioration in credit risk is not required to be evaluated annually.

(d) Trade receivables have been pledged as security against bank borrowings, the terms relating to which have been described in Note 14.

(e) No trade or other receivables are due from directors or other officers of the Company either severally or jointly with any other person. Further, no trade or other receivables are due from firms or private companies respectively in which any director is a partner, a director or a member.

16. Provisions

Accounting policy

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit & Loss. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

A Provisions - non-current

	(₹ thousand)

17. Trade payables

Accounting policy

These amounts represents liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid/payable within 0-120 days of recognition other than letter of credit. Trade payables are presented as current financial liabilities.

The Company enters into arrangements for purchase under letter of credit issued by banks under non-fund based working capital limits of the Company. Considering these arrangements are majorly for raw materials with a maturity of up to six months, the economic substance of the transaction is determined to be operating in nature and these are recognised under trade payables.

	(₹ thousand)

TIRUPATI REELS PRIVATE LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

20. Revenue from operations

Accounting Policy

IND AS 115 was made effective from 1 April 2018 and establishes a five-step model to account for revenue arising from contracts with customers. The new revenue standard replaced IND AS 18 & IND AS 11 and interpretations on revenue recognition related to sale of goods and services. The Company has applied the modified retrospective approach and accordingly has included the impact of Ind AS 115.

(i) Measurement of Revenue

Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts, incentive schemes, if any, as per contracts with customers. Transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring good or service to a customer. Taxes collected from customers on behalf of Government are not treated as Revenue.

(ii) Sale of goods

Performance obligation in case of revenue from sale of goods is satisfied at a point in time and is recognized when the performance obligation is satisfied and control as per Ind AS 115 is transferred to the customer. The Company collects GST on behalf of the Government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Revenue is disclosed net of discounts, incentives and returns, as applicable.

(iii) Government Grants

Government Grants are recognised where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. Government grants are recognised in the statement of profit and loss on a systematic basis over the periods in which the company recognises as expenses the related costs for which the grants are intended to compensate.

When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

When the grant relates to an asset, its recognition as income in the Statement of Profit & Loss is linked to fulfilment of associated export obligations.

The Company has chosen to present grants received/receivable as other operating revenue in the Statement of Profit & Loss.

(d) Details of customer contributed 10% or more to the Company's revenue for the year ended 31 March 2022 and 31 March 2021 - Refer note No 31.1

21. Other income

Accounting Policy

Other income is comprised primarily of interest income, exchange gain on forward contracts and on translation of other assets and liabilities.

Interest income on financial asset measured either at amortised cost or FVTPL is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Foreign Currency

The Company's Financial Statements are presented in Indian rupee (₹) which is also the Company's functional currency. Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate prevailing at the date of transaction.

Measurement of foreign currency item at the Balance sheet date

(i) Foreign currency monetary assets and liabilities denominated in foreign currency are translated at the exchange rates prevailing on the reporting date.
(ii) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions.

(iii) Exchange differences

Exchange differences arising on settlement or translation of monetary items are recognized as income or expense in the statement of Profit & Loss.

	(₹ thousand)	
	31 March 2022	31 March 2021

Changes in Inventories	(24,163.54)	3,421.31

25. Employee benefits expense
Accounting Policy
(i) Short-term employee benefits

All short-term employee benefits such as salaries, incentives, special awards, medical benefits which are expected to be settled wholly within 12 months after the end of the year in which the employee renders the related services which entitles him to avail such benefits are charged to the Statement of Profit & Loss account. A liability is recognized for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

(ii) Compensated absences

The Company estimates and provides the liability for such short-term and long term benefits based on the terms of the policy of the company. The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes.

(iii) Defined contribution plans

Retirement benefit in the form of provident fund and 'Employer-Employee Scheme' are defined contribution schemes. The Company recognizes contribution payable to the provident fund and 'Employer Employee' scheme as expenditure, when an employee renders the related service. The Company has no obligation, other than the contribution payable to the funds. The Company's contributions to defined contribution plans are charged to the Statement of Profit & Loss as incurred.

(iv) Defined benefit plans

The Company operates a defined benefit gratuity plan for its employees. The costs of providing benefits under this plan are determined on the basis of actuarial valuation report at each year-end using the projected unit credit method. Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the Balance sheet with a corresponding debit or credit to retained earnings through OCI in the year in which they occur. Re-measurements are not reclassified to Statement of Profit & Loss in subsequent year.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

Past service costs are recognized in profit or loss on the earlier of :

- The date of the plan amendment or curtailment, and
- The date that the Company recognizes related restructuring costs

	31 March 2022	31 March 2021
Salaries, wages and bonus	32,315.24	26,926.86
Contribution to provident and other funds	1,166.96	1,044.98

	34,219.67	28,382.47

TIRUPATI REELS PRIVATE LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Gratuity and other post-employment benefit plans

(A) Defined Benefit plan

Gratuity Valuation - As per actuary

In respect of Gratuity, The Company operates a defined benefit plan, viz., gratuity for its employees (Unfunded). The Plan provided for lump sum payments to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service. The Company has provided for gratuity based on the actuarial valuation done as per Project Unit Credit Method.

Defined benefit plans expose the Company to actuarial risks such as

(i) Interest rate risk

A fall in the discount rate which is linked to the G.Sec. rate will increase the present value of the liability requiring higher provision.

(ii) Salary Risk

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

(iii) Investment Risk

Since the company does not have any plan assets and hence the investment risk is Nil.

(iv) Asset Liability Matching Risk

Since the company does not have any plan assets and hence the assets liability matching risk is Nil.

(v) Mortality risk

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk. If actual mortality rates are higher than assumed mortality rate assumption than the gratuity benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cashflow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate.

(vi) Concentration Risk

Since the company does not have any investment in plan assets hence the Concentration Risk is Nil.

(vii) Variability in withdrawal rates

If actual withdrawal rates are higher than assumed withdrawal rate assumption then the gratuity benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date.

(viii) Regulatory Risk

Gratuity Benefit must comply with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in the regulations requiring higher gratuity payments.

The Company operates a defined benefit plan, viz., gratuity for its employees. Under the gratuity plan, every employee who has completed at least five years of service gets a gratuity on departure at 15 days of last drawn salary for each completed year of service. The scheme is unfunded.

The most recent actuarial valuation of present value of defined benefit obligation were carried out as at 31st March, 2022 by an external independent fellow of the Institute of Actuaries of India. The present value of the defined benefit obligation and the related current service cost were measured using the projected unit credit method.

The following tables summarise the components of net benefit expenses recognised in the statement of profit and loss and amounts recognized in the balance sheet for gratuity.

Statement of profit and loss

Net employee benefits expense recognised in profit or loss :

	31 March 2022	31 March 2021
Current service cost	451.80	436.33
Net interest cost	49.96	38.09
Net benefits expense	501.76	474.42

Net remeasurement (gain)/ loss on defined benefit plans recognised in Other comprehensive income for the year :

	31 March 2022	31 March 2021
Actuarial (gain)/loss on obligations	132.30	(315.16)
Net (Income)/Expense for the year recognized in OCI	132.30	(315.16)

Balance sheet

Benefits liability

	31 March 2022	31 March 2021
Present value of defined benefit obligation	1,351.84	717.79
Plan liability	1,351.84	717.79

Changes in the present value of the defined benefit obligation are as follows :

	31 March 2022	31 March 2021
Opening defined benefit obligation	717.79	558.53
Interest cost	49.96	38.09
Current service cost	451.80	436.33
Actuarial (gains)/losses on obligations		
Due to change in demographic assumptions	(21.33)	-
Due to change in financial assumptions	112.97	(16.26)
Due to experience	40.65	(298.91)
Closing defined benefit obligation	1,351.84	717.79

TIRUPATI REELS PRIVATE LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Current & non-current bifurcation of provision for gratuity as per actuarial valuation is as follows :

(₹ thousand)

	31 March 2022	31 March 2021
Non-current	1,330.28	710.87
Current	21.56	6.92

The major categories of plan assets as a percentage of the fair value of total plan assets are as follows :

	31 March 2022	31 March 2021
Investment with insurer	0.00%	0.00%

The principal assumptions used in determining gratuity for the Company's plans are shown below :-

	31 March 2022	31 March 2021
Discount rate	7.25%	6.96%
Expected rate of return on plan assets	N.A.	N.A.
Employee turnover	5.00%	2.00%
Salary escalation	7.00%	6.00%
Weighted average duration	14	18
Mortality rate during employment	Indian assured lives mortality (2012-14)	Indian assured lives mortality (2006-08)
Mortality rate after employment	N.A.	N.A.

The average expected future service as at 31 March 2022 is 14 years (31 March 2021 - 20 years).

The estimates of future salary increases, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The overall expected rate of return on plan assets is determined based on the market prices prevailing on that date, applicable to the period over which the obligation is to be settled.

A quantitative sensitivity analysis for significant assumption as at 31 March 2022 & 31 March 2021 is as shown below :

Sensitivity analysis are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be co-related. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions, the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

Sensitivity analysis

(₹ thousand)

	31 March 2022	31 March 2021
Projected benefit obligation on current assumptions	1,351.84	717.79
Delta effect of +1% change in rate of discounting	(153.13)	(102.53)
Delta effect of -1% change in rate of discounting	185.78	128.39
Delta effect of +1% change in rate of salary increase	184.36	128.34
Delta effect of -1% change in rate of salary increase	(154.77)	(104.34)
Delta effect of +1% change in rate of employee turnover	(22.68)	(2.23)
Delta effect of -1% change in rate of employee turnover	22.50	0.01

Methodology for Defined Benefit Obligation :

The Projected Unit Credit (PUC) actuarial method has been used to assess the plan's liabilities, including those related to death-in-service and incapacity benefits.

Under PUC method a projected accrued benefit is calculated at the beginning of the year and again at the end of the year for each benefit that will accrue for all active members of the plan. The projected accrued benefit is based on the plan's accrual formula and upon service as of the beginning or end of the year, but using a member's final compensation, projected to the age at which the employee is assumed to leave active service. The plan liability is the actuarial present value of the projected accrued benefits for active members.

Projected benefits payable in future years from the date of reporting.

Maturity analysis of projected benefit obligation from the fund :

(₹ thousand)

	31 March 2022	31 March 2021
1st following year	21.56	6.92
2nd following year	33.79	8.94

5th following year	85.34	22.86
Sum of years 6 to 10	666.61	167.91
Sum of years 11 and above	3,438.03	2,638.41

TIRUPATI REELS PRIVATE LIMITED**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022****(B) Other Defined Benefit and contribution Plans****Provident Fund**

The Company contribute towards Provident Fund to defined contribution retirement benefit plans for eligible employees. Under the schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company contributes towards Provident Fund managed by Central Government and has recognised ₹ 1,166.96 thousand (31 March 2022 ₹ 1,001.97 thousand) for provident fund contributions in the Statement of Profit and Loss.

Compensated absences (unfunded)

In respect of Compensated absences, accrual is made on the basis of the Company's leave rules. The Company has provided for compensated absences based on the Company's leave rules. The leave obligation cover the Company's liability for earned leave. The amount of the provision of ₹ 168.09 thousand (year ended 31 March 2021 ₹ Nil) is presented as current (year ended 31 March 2021 ₹ Nil). The Company contributes has recognised ₹ 355.94 thousand (31 March 2021 ₹ Nil) for Compensated absences in the Statement of Profit and Loss.

26. Finance cost**Accounting Policy**

Borrowing costs that are directly attributable to the acquisition, construction or erection of qualifying assets are capitalised as part of cost of such asset until such time that the assets are substantially ready for their intended use. Qualifying assets are assets which take a substantial period of time to get ready for their intended use or sale.

Capitalisation of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for their intended uses are complete. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs include exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing cost includes interest expense on financial liabilities, interest on tax matters, gain/loss on fair value of forward contract and it's premium and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

	31 March 2022	31 March 2021
Interest expense on financial liabilities at amortised cost ⁽ⁱ⁾	10,694.27	11,372.08
Interest expense on financial liabilities at FVTPL	280.26	294.79
Other borrowing costs ⁽ⁱⁱ⁾	7,108.84	5,997.44
	18,083.37	17,664.31

(i) Interest expense includes ₹ 2.26 thousand (31 March 2022 ₹ 82.79 thousand) paid / payable to Income Tax Department.

(ii) Other borrowing costs includes bank commission charges, letter of credit charges and other ancillary costs incurred in connection with borrowings.

27. Depreciation and amortisation expenses

	31 March 2022	31 March 2021

(₹ thousand)

29. Earnings per share
Accounting Policy

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as fresh issue, bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

	31 March 2022	31 March 2021

30. Contingent liabilities and commitments

Accounting Policy

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial Capital Commitments includes the amount of purchase orders (net of advances) issued to parties for completion/purchase of assets.

(A) Contingent liabilities (to the extent not provided for)

31.1 Segment reporting
(i) Basis of segmentation :

The Company's business activity falls within a single business segment viz. manufacturing and sale of wooden Products in terms of Ind AS 108 on Segment Reporting and hence no separate information for primary segment wise disclosure is required.

(ii) Information about secondary segment :

The geographic information analyses the Company's revenues and non-current assets other than financial instruments, deferred tax assets, post-employment benefit assets, and rights arising under insurance contracts by the Company's country of domicile and other countries. In presenting geographic information, segment revenue has been based on the selling location in relation to sales to customers and segment assets are based on geographical location of assets.

Segment revenue (based upon location of customers) :

		31 March 2022	31 March 2021
(₹ thousand)			
India		966,763.08	673,187.05
Outside India		47,081.65	4,427.18
		1,013,844.73	677,614.22

Segment assets (based upon location of assets) :

		31 March 2022	31 March 2021
(₹ thousand)			
India		274,503.42	225,317.37
Outside India		-	-
		274,503.42	225,317.37

Major customer :

Revenue from a domestic customer, v.i.z holding company aggregating to ₹ 8,43,043.74 thousand is in excess of 10% of the Company's revenue for the year ended 31 March 2022 (31 March 2021: ₹ 6,13,640.80 thousand) (Refer note 31(E) for related party disclosures).

TIRUPATI REELS PRIVATE LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

31.2 Financial Instruments and Fair Value Measurements

(A) Financial Instruments

Accounting policy

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial Assets

(i) Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through Statement of Profit & Loss, transaction costs that are attributable to the acquisition of the financial asset. Financial assets are classified at the initial recognition as financial assets measured at fair value or as financials assets measured at amortized cost.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in two broad categories :

(a) Financial assets at amortized cost

(b) Financial assets at fair value

Where assets are measured at fair value, gains and losses are either recognized entirely in the Statement of Profit & Loss (i.e., fair value through Statement of Profit & Loss), or recognized in other comprehensive income (i.e., fair value through other comprehensive income).

(a) Financial assets at amortized cost :

A financials asset that meets the following two conditions is measured at amortized cost (net of Impairment) unless the asset is designated at fair value through Statement of Profit & Loss under the fair value option.

(i) **Business Model Test** : The objective of the Company's business model is to hold the financial assets to collect the contractual cash flow (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes).

(ii) **Cash flow characteristics test** : The contractual terms of the financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding.

(b) Financial assets at fair value :

(i) Financials assets at fair value through other comprehensive income :

Financials assets is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collections contractual cash flows and selling financial assets and the contractual terms of the financial assets give rise on specified dated to cash flows that are solely payments of principal and interest on the principal amount outstanding.

For equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit & Loss.

(ii) Financials assets at fair value through profit & loss :

A financial asset which is not classified in any of the above categories is subsequently fair valued through Statement of Profit & Loss.

(iii) De-recognition of financial assets :

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognized when :

(a) The rights to receive cash flows from the asset have expired, or

(b) The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

(iv) Impairment of financial assets :

The Company assesses impairment based on expected credit losses (ECL) model for the following :

(a) Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

(b) Other financial assets such as deposits, advances etc., the Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used.

TIRUPATI REELS PRIVATE LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12-month ECL.

As a practical expedient, the Company uses the provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historical observed default rates over the expected life of the trade receivables and its adjusted forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analyzed.

Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, lease liabilities and derivative financial instruments.

(ii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below :

(a) Financial liabilities at fair value through profit or loss :

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

(b) Gains or losses on liabilities held for trading are recognized in the profit or loss :

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ losses are not subsequently transferred to P&L. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss.

(c) Loans and borrowings :

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the Effective Interest Rate method.

(iii) Derecognition

(a) A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

(b) Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

(B) Fair value measurements

Accounting policy

The company measures financial instruments at fair value at each Balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either :

(a) In the principal market for the asset or liability, or

(b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Financial Statements are categorised within the fair value hierarchy, to provide an indication about the reliability of inputs used in determining fair value, the Company has classified its financial statements into three levels prescribed under the accounting standard as follows, based on the lowest level input that is significant to the fair value measurement as a whole :

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risk of the assets or liability and the level of fair value hierarchy as explained above.

TIRUPATI REELS PRIVATE LIMITED
NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values :

	Carrying Value		Fair Value	
	31 March 2022	31 March 2021	31 March 2022	31 March 2021
(₹ thousand)				
Financial assets				
Measured at amortised cost				
Trade receivables	109,865.71	155,263.50	109,865.71	155,263.50
Cash and cash equivalents	318.72	240.54	318.72	240.54
Bank balance other than cash and cash equivalents	87,300.00	30,400.00	87,300.00	30,400.00
Other financial assets	2,245.16	24,269.58	2,245.16	24,269.58
Measured at fair value through profit or loss account (FVTPL) :				
Derivative assets	100.20	-	100.20	-
	199,829.79	210,173.62	199,829.79	210,173.62
Financial Liabilities				
Measured at amortised cost				
Borrowings - Long term including current maturities and short-term	65,934.28	112,719.71	71,169.93	125,839.40
Trade Payables	359,262.10	274,514.05	359,262.10	274,514.05
Oligations under lease	6,620.66	2,951.28	6,434.78	2,991.85
Other financial liabilities	405.27	561.51	405.27	561.51
	432,222.30	390,746.56	437,272.07	403,906.81

Notes

(a) foreign exchange forward contracts are valued using valuation techniques, which employ the use of market observable inputs(closing rates of foreign currency).

(b) The management assessed that cash and cash equivalents, trade receivables, trade payables, short-term borrowings, loans to employees, short-term security deposit and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

(c) The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

(d) Fixed deposit of ₹ 29,000 thousand (31 Mar 2021: ₹ 22,500 thousand) is restricted for withdrawal, considering it is lien against commercial arrangements.

(e) Non-current other financial assets includes fixed deposit having maturity period of more than 12 months of ₹ Nil (31 Mar 2021 : ₹ 2,25,00,000).

(f) Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

Quantitative disclosures fair value measurement hierarchy for assets and liabilities as at 31 March 2022

	Date of valuation	Total	Fair value measurement using

TIRUPATI REELS PRIVATE LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

31.3 Financial Risk Management Objectives and Policies

The Company's principal financial liabilities comprise loans and borrowings and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include, trade and other receivables, and cash and cash equivalents that derive directly from its operations. The Company also enters into derivative transactions.

The Company is exposed to market risk, credit risk and liquidity risk. The Board of Directors of the Company has formed a Risk Management Committee to periodically review the risk management policy of the Company so that the management manages the risk through properly defined mechanism. The Risk Management Committee's focus is to foresee the unpredictability and minimize potential adverse effects on the Company's financial performance. The Company's overall risk management procedures to minimise the potential adverse effects of financial market on the Company's performance are as follows :-

(A) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk : interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, FVTPL investments and derivative financial instruments.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a fixed and variable rate loans and borrowings. At March 31, 2022 fixed interest rate bearing borrowings approximately ₹ 258.40 thousand (March 31, 2021 : ₹ 668.51 thousand). Total floating interest rate bearing borrowing as on March 31, 2022 is ₹ 65,675.88 thousand (March 31, 2021 ₹ 1,12,051.21 thousand).

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected with all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows :

	Exposure to Interest rate risk (Principal amount of loan)	Increase/decrease in basis points	Effect on profit before tax
	(₹ thousand)		
March 31, 2022	65,934.28		
Increase		+100	(659.34)
Decrease		-100	659.34
March 31, 2021	112,719.71		
Increase		+100	(1,127.20)
Decrease		-100	1,127.20

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a foreign currency).

Derivative financial instruments :

The Company enters into derivative contracts with an intention to hedge its foreign exchange price risk. Derivative contracts which are linked to the underlying transactions are recognised in accordance with the contract terms. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit & Loss. To some extent the Company manages its foreign currency risk by hedging transactions.

Particulars of foreign currency exposures as at the reporting date :

Currency	Currency Symbol	March 31, 2022		March 31, 2021	
		Foreign Currency	Indian Rupees	Foreign Currency	Indian Rupees
United States Dollar	USD	(303.82)	(23,026.18)	(129.55)	(9,556.69)
EURO	Euro	(1,006.90)	(84,800.80)	(1,721.07)	(147,581.72)
Singapore Dollar	SGD	-	-	(1.99)	(107.99)

Figures shown in bracket represent payable.

Foreign currency sensitivity

The following tables demonstrate the sensitivity to a reasonably possible change in USD, Euro and SGD exchange rates, with all other variables held constant. The impact on the Company's profit before tax is due to changes in the fair value of monetary assets and liabilities. Sensitivity due to unhedged Foreign Exchange Exposures is as follows :

Currency	Currency Symbol	March 31, 2022		March 31, 2021	
		+2%	-2%	+2%	-2%
United States Dollar	USD	(460.52)	460.52	(191.13)	191.13
EURO	Euro	(1,696.02)	1,696.02	(2,951.63)	2,951.63
Singapore Dollar	SGD	-	-	(2.16)	2.16

Figures shown in bracket represent payable.

TIRUPATI REELS PRIVATE LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

(B) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables & trade payable) and from its financing activities, including deposits with banks and financial institutions and foreign exchange transactions.

Trade receivable

The Company has adopted a policy of only dealing with counterparties that have sufficient credit rating. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties. Credit risk has always been managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company has applied Expected Credit Loss (ECL) model for measurement and recognition of impairment losses on trade receivables. ECL has been computed as a percentage of revenue on the basis of Company's historical data of delay in collection of amounts due from customers and default by the customers along with management's estimates.

Trade receivables (net of expected credit loss allowance) of ₹ 1,09,865.71 thousand as at March 31, 2022 (March 31, 2021 : ₹ 1,55,263.50 thousand) forms a significant part of the financial assets carried at amortised cost which is valued considering provision for allowance using expected credit loss method. In addition to the historical pattern of credit loss, we have considered the likelihood of delayed payments, increased credit risk and consequential default considering emerging situations while arriving at the carrying value of these assets. This assessment is not based on any mathematical model but an assessment considering the nature of verticals, impact immediately seen in the demand outlook of these verticals and the financial strength of the customers. The Company has specifically evaluated the potential impact with respect to all customers.

The Company closely monitors its customers who are going through financial stress and assesses actions such as change in payment terms, discounting of receivables with institutions on no-recourse basis, recognition of revenue on collection basis etc., depending on severity of each case. The collections pattern from the customers in the current period does not indicate stress beyond what has been factored while computing the allowance for expected credit losses.

Other financial assets

The Company has adopted a policy of only dealing with counterparties that have sufficient credit rating. The Company's exposure and credit ratings of its counterparties are continuously monitored and the aggregate value of transactions is reasonably spread amongst the counterparties.

Credit risk arising from derivative financial instruments and other balances with banks is limited and there is no collateral held against these because the counterparties are banks.

C) Liquidity risk

The Company's principle sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the working capital is sufficient to meet its current requirements.

Further, the Company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flow while at the same time maintaining adequate cash and cash equivalents position. The management has arranged for diversified funding sources and adopted a policy of managing assets with liquidity in mind and monitoring future cash flows and liquidity on a regular basis. Surplus funds not immediately required are invested in certain financial assets which provide flexibility to liquidate at short notice and are included in cash equivalents and Bank balance other than cash and cash equivalents. Besides, it generally has certain undrawn credit facilities which can be accessed as and when required, which are reviewed periodically.

The Company has developed appropriate internal control systems and contingency plans for managing liquidity risk. This incorporates an assessment of expected cash flows and availability of alternative sources for additional funding, if required.

Maturity Analysis

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

(₹ thousand)

	March 31, 2022			March 31, 2021		
	< 1 year	> equal to 1 year	Total	< 1 year	> equal to 1 year	Total
Borrowings	36,188.43	29,745.85	65,934.28	46,233.18	66,486.54	112,719.71
Lease liability	2,195.52	5,459.52	7,655.04	1,043.52	2,087.04	3,130.56
Other financial liabilities	405.27	-	405.27	561.51	-	561.51
Trade Payables	357,898.61	1,363.49	359,262.10	274,514.05	-	274,514.05

31.4 Hedging activity and derivatives

The Board of Directors has constituted a Risk Management Committee (RMC) to frame, implement and monitor the risk management plan of the Company which inter-alia covers risks arising out of exposure to foreign currency fluctuations. Under the guidance and framework provided by the RMC, the Company uses derivative instruments such as foreign exchange forward contract in which the counter party is generally a bank. For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity shareholders. The primary objective is to maximise the shareholders value.

The Company has entered into derivative instruments not in hedging relationship by way of foreign exchange forward contracts. The notional amount of outstanding contracts and loss/(gain) on fair valuation of such contracts are given below :

(₹ thousand)

	31 March 2022	31 March 2021
Foreign exchange forward contracts - Buy	27,599.31	-
Foreign exchange forward contracts - Sale	(27,513.79)	-
Fair valuation gain on foreign exchange forward contracts	85.52	-
	100.20	-

- (i) This improved ratio result from decrease in tax charges debited in statement of profit and Loss account and higher increase in revenue in compare to increase in all expenses resulted in leverage on all overhead and other expenses.
- (ii) The change in ratio is due to higher increase in turnover and improvement in working capital management.
- (iii) The change in ratio is due to increase in EBIT and decrease in borrowing.
- (iv) The change in ratio is due to increase in net profit.
- (v) The change in ratio is due to increase in net profit after taxes.
- (vi) The change in ratio is due to increase in net profit after taxes.
- (vii) The change in ratio is due increasae in net profit and decrease in net debts.
- (viii) The change in ratio is due increasae in sale and efficient trade receivable management.
- (ix) The change in ratio is due increasae in purchase and corresponding increasae in trade payable.

TIRUPATI REELS PRIVATE LIMITED

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

31.6 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity shareholders. The primary objective is to maximise the shareholders value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through equity, operating cash flows generated and external borrowings.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The capital structure is governed by policies approved by the Board of Directors and monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.

	31 March 2022	31 March 2021
Borrowings (Refer note-14)	65,912.73	111,880.60
Trade payables (Refer note-17)	359,262.10	274,514.05
Other payables (Refer note-18)	405.27	561.51
Less : cash and cash equivalents (Refer note 9)	318.72	240.54
Net debt	425,898.82	387,196.71
Equity (Refer note 12 and 13)	257,109.50	194,908.93
Total capital	257,109.50	194,908.93
Capital and net debt	683,008.31	582,105.64
Gearing ratio	62.36%	66.52%

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the year ended March 31, 2022 and year ended March 31, 2021.
