Presenting  
**Silencio Mini**  
Ceiling Fan

## Polycab Silencio MINI BLDC CEILING FAN

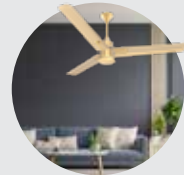

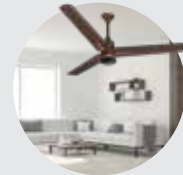

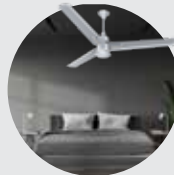

The journey of designing this marvel started with paying attention to your home's centre, the humble fan. Keeping an eye on the latest fashion trends, we completely overhauled the style aspects of our traditional fan. So go on, indulge yourself in the best of fan-fashion that Polycab has to offer with the compact yet feature loaded Silencio Mini.

CONTEMPORARY  
DOUBLE  
SKIRT DESIGN

Polycab's advanced BLDC technology saves up to 65% electricity\*, reduces motor noise and operates at full efficiency even at low voltages without compromising on air delivery.

# FEATURES

## Ultra Savings on your Electricity Bill

Save up to 65% of Electricity as compared to regular 75W ceiling fans.

## Ultra Speed for Max Air Circulation

The aerodynamic design with compact body and long blades ensures better air circulation.

## Reverse Rotation Mode

A perfect companion for air conditioned rooms and during winters with its reverse rotation mode when the fan provides just air circulation without giving a blast of air.

## Ultra Reliability with 50% more warranty than Regular Premium Fans

Enjoy a stress-free 3 years product warranty along with additional 1 year warranty on registration. Scan the QR code on the product and register for 1 year additional warranty.

## Easy clean with anti-dust coating on blades

Special coating on blades repels dust and doesn't allow it to settle on the blades making it easy to clean.
